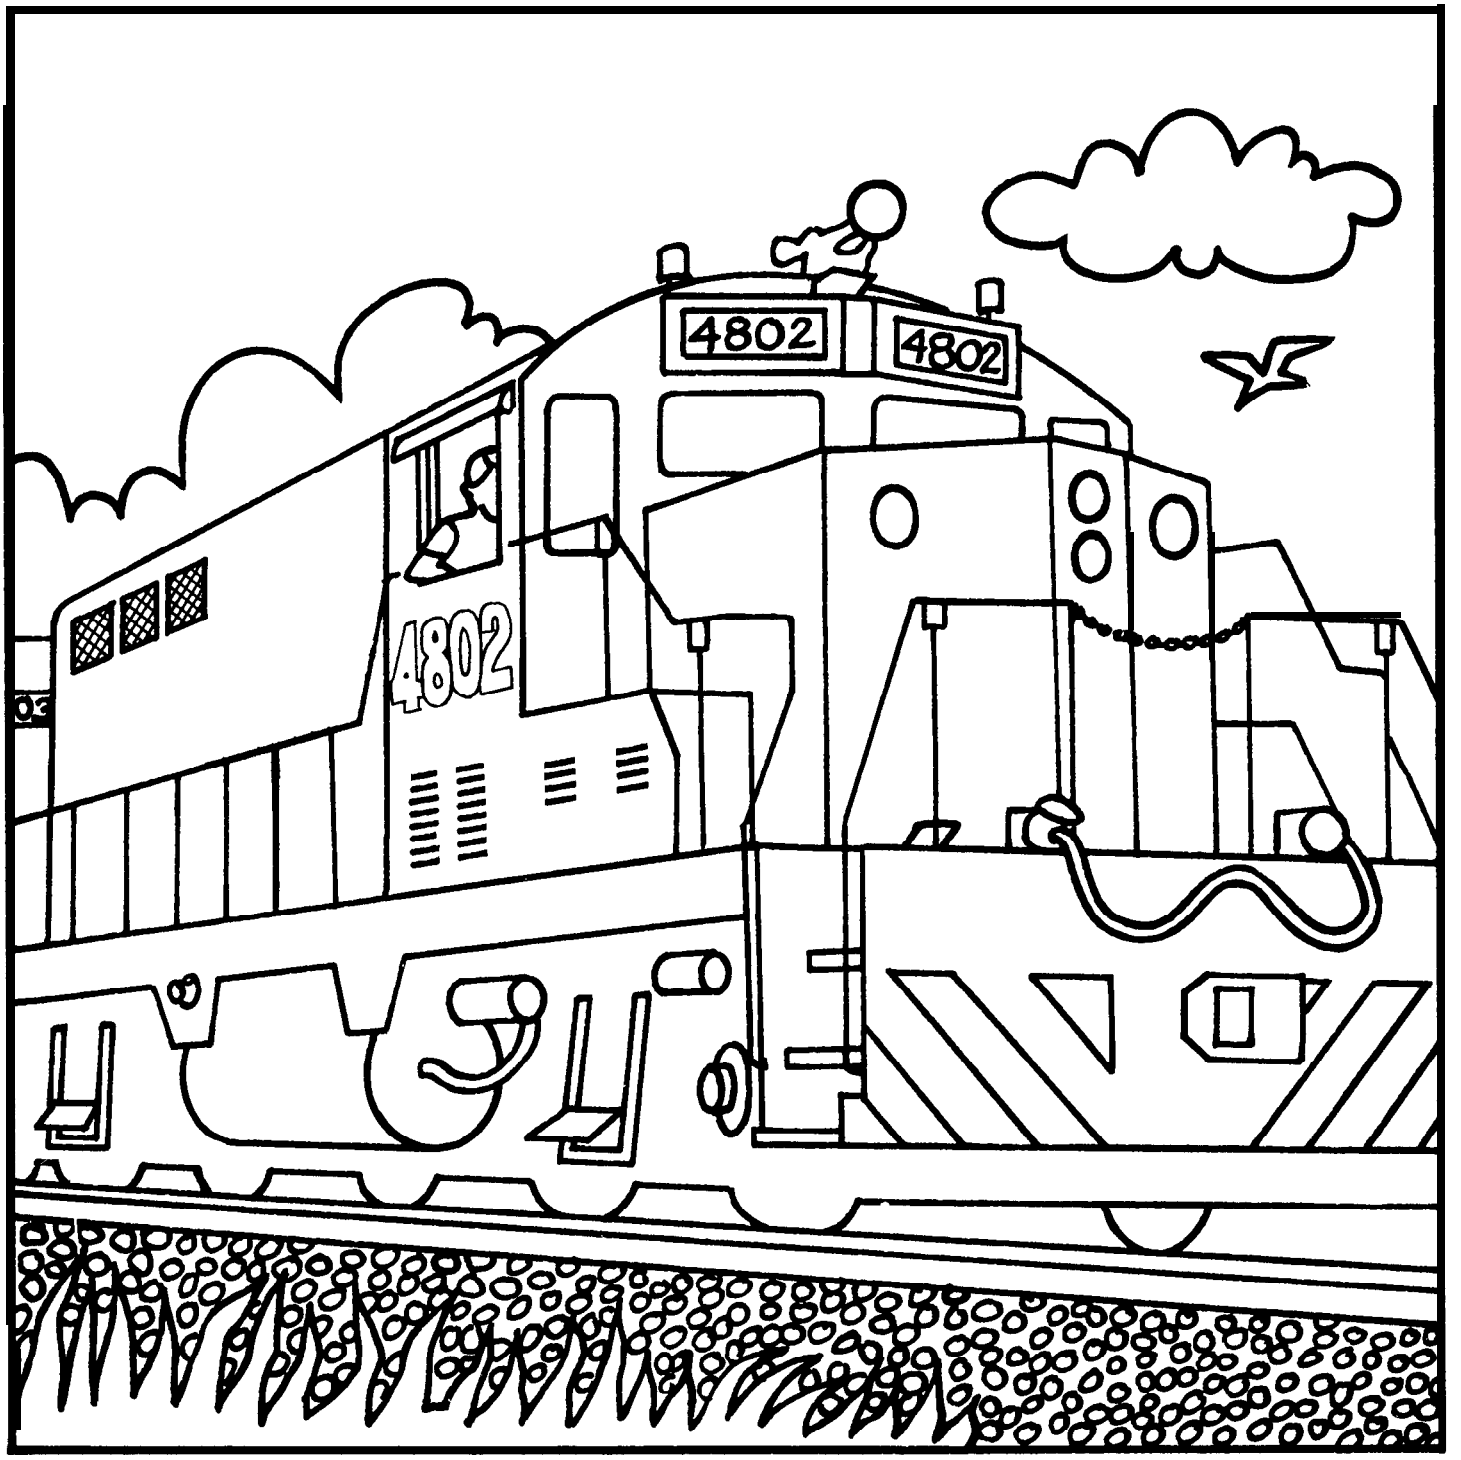
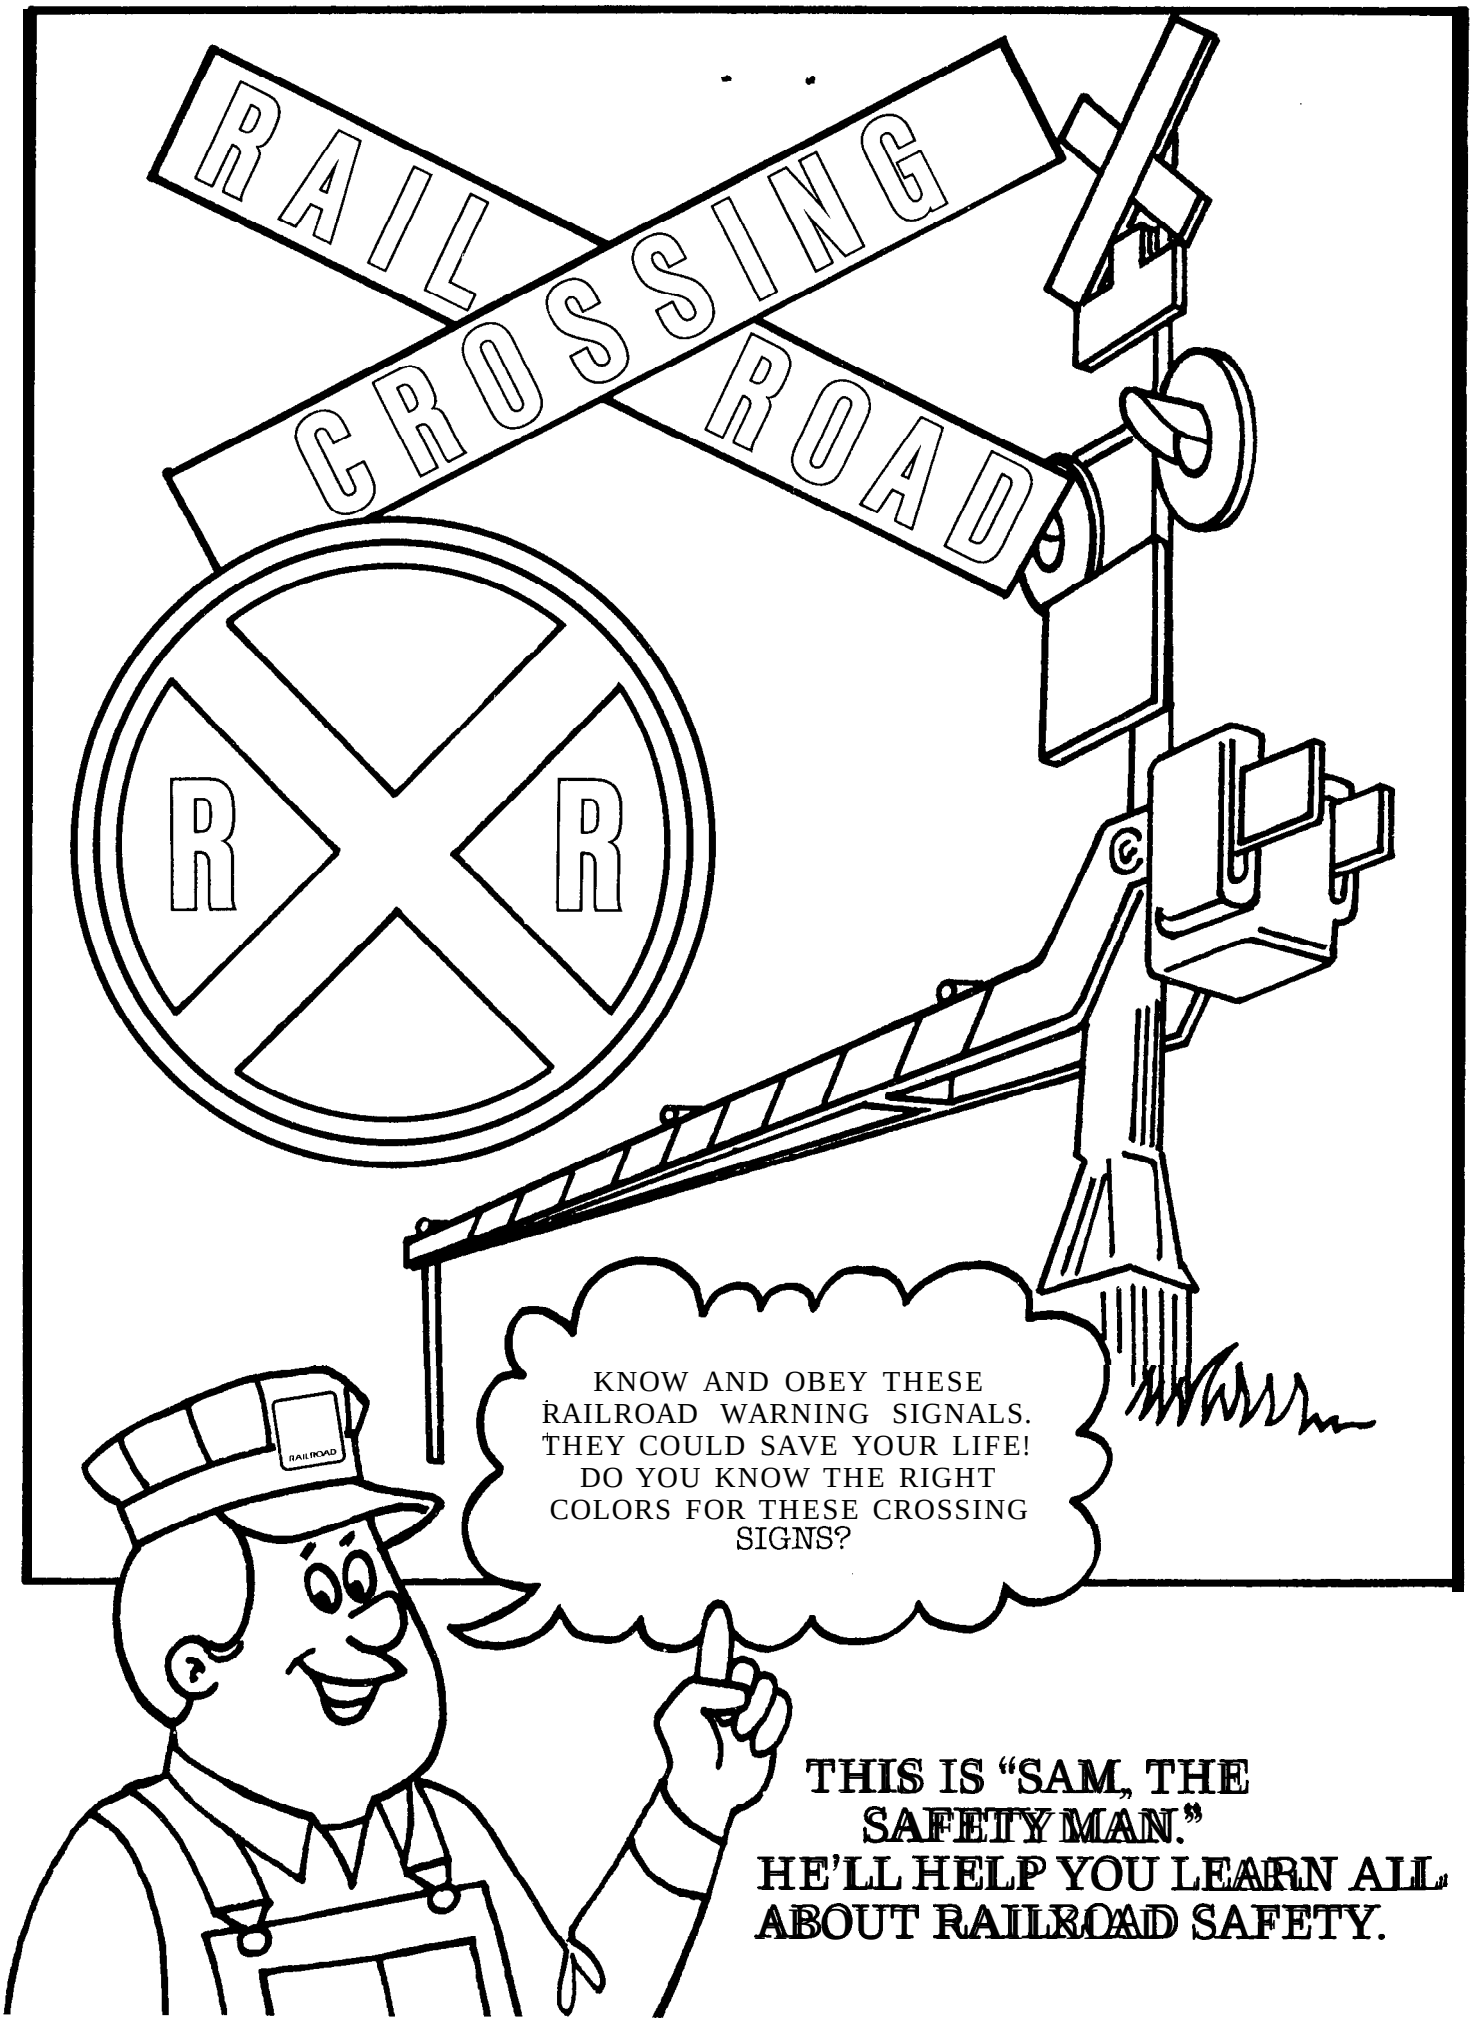
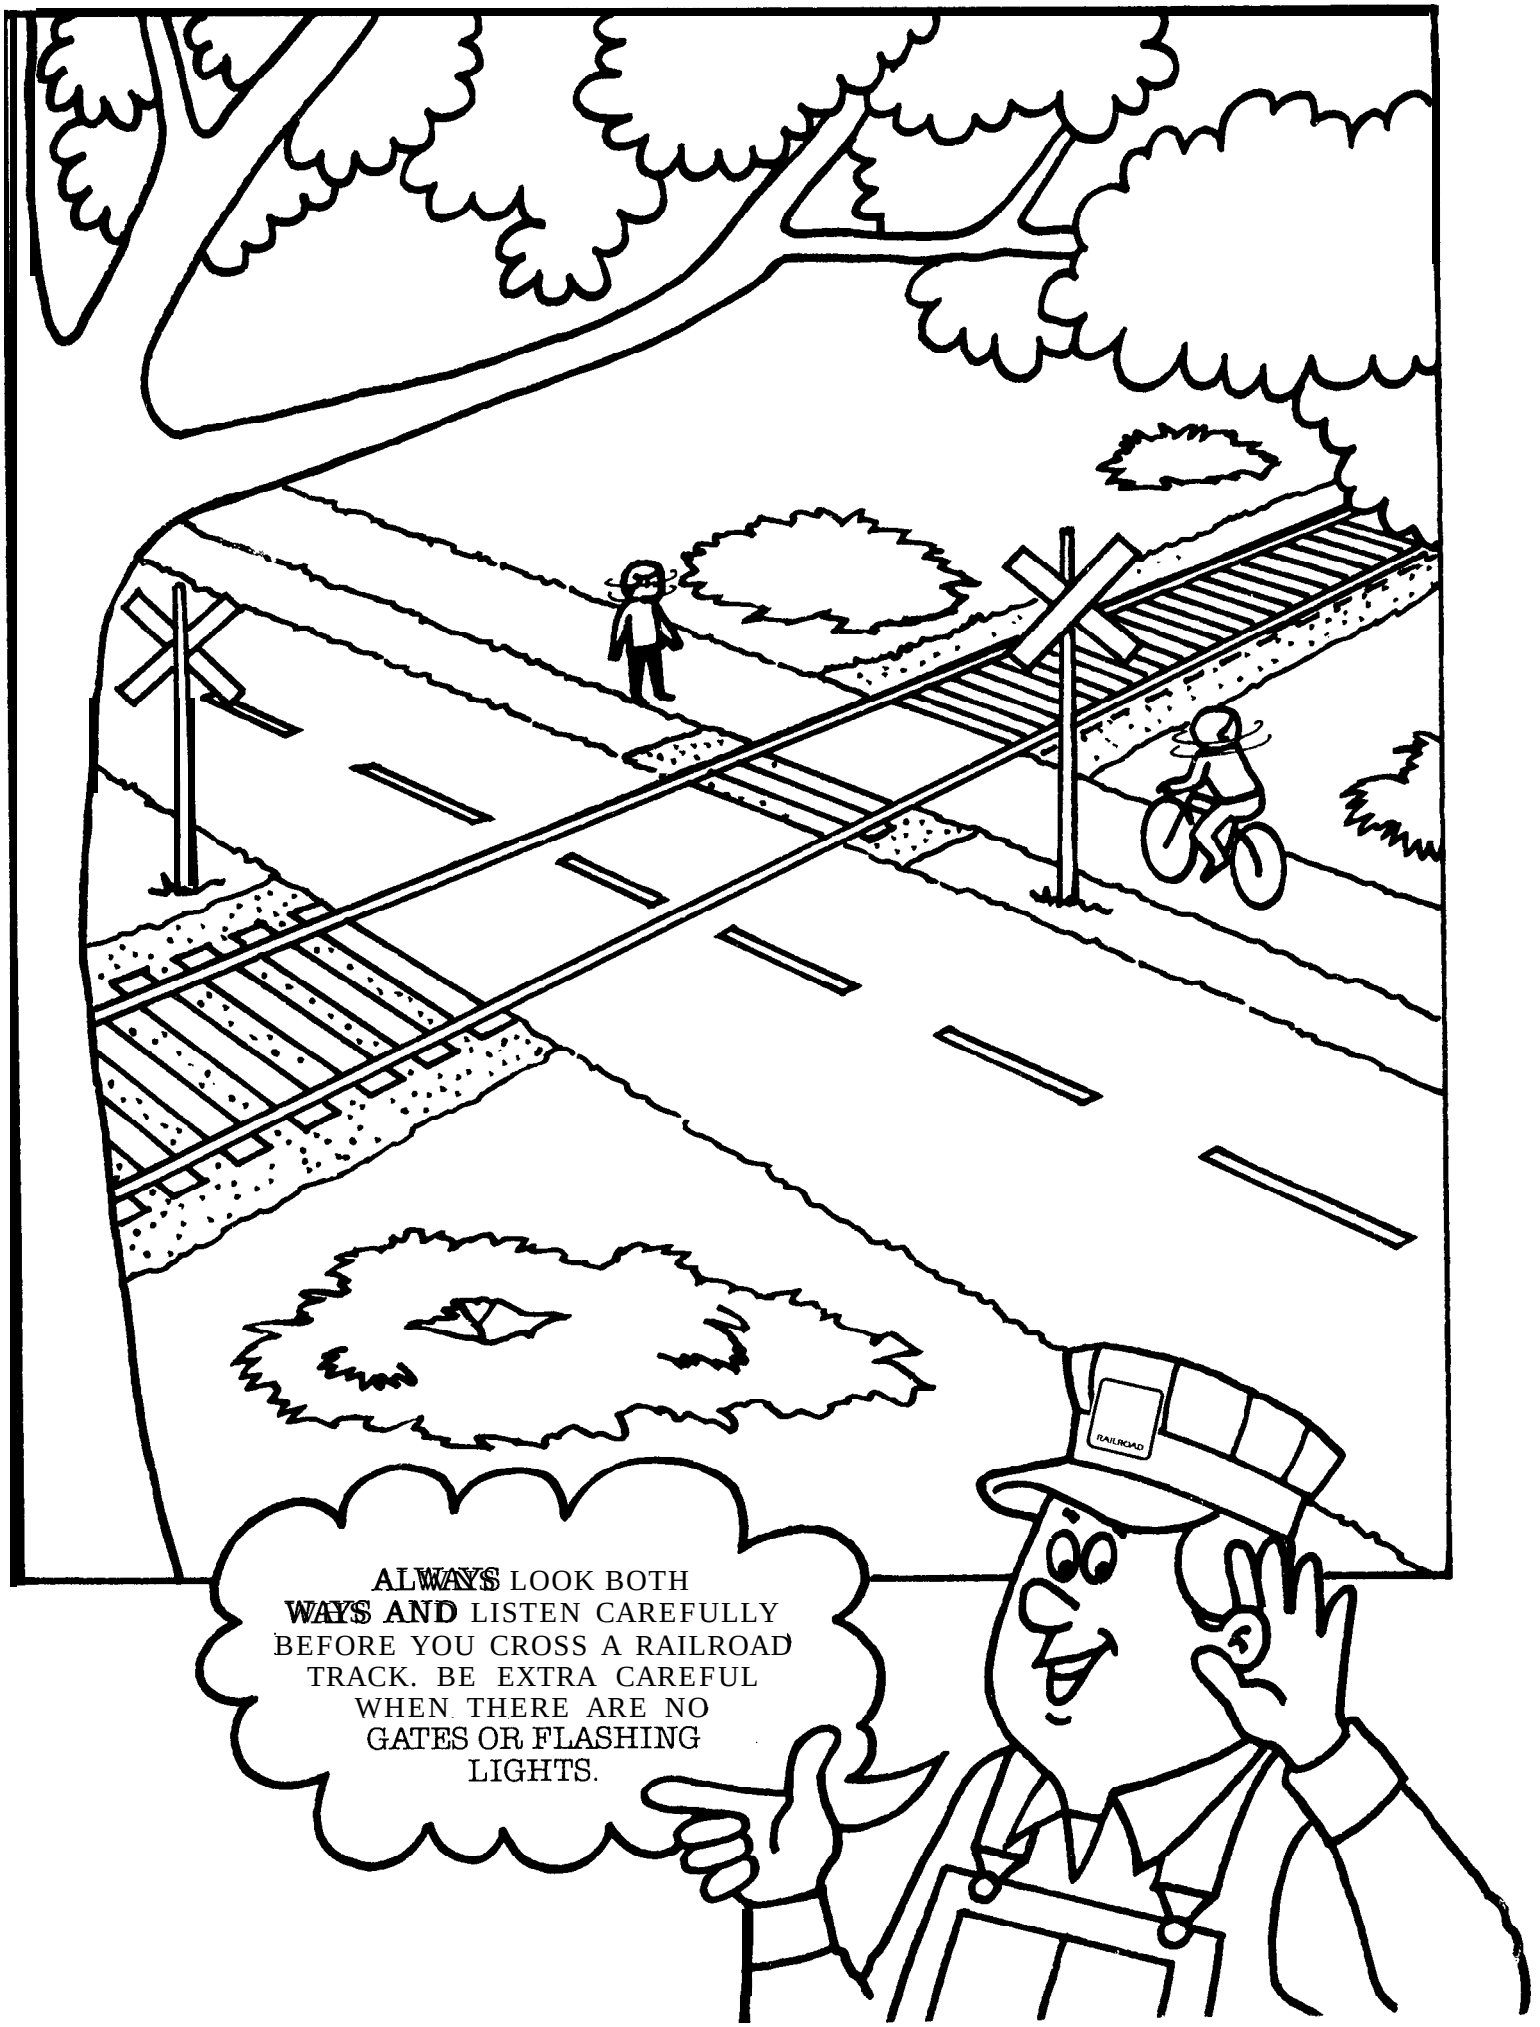
COLORING BOOK

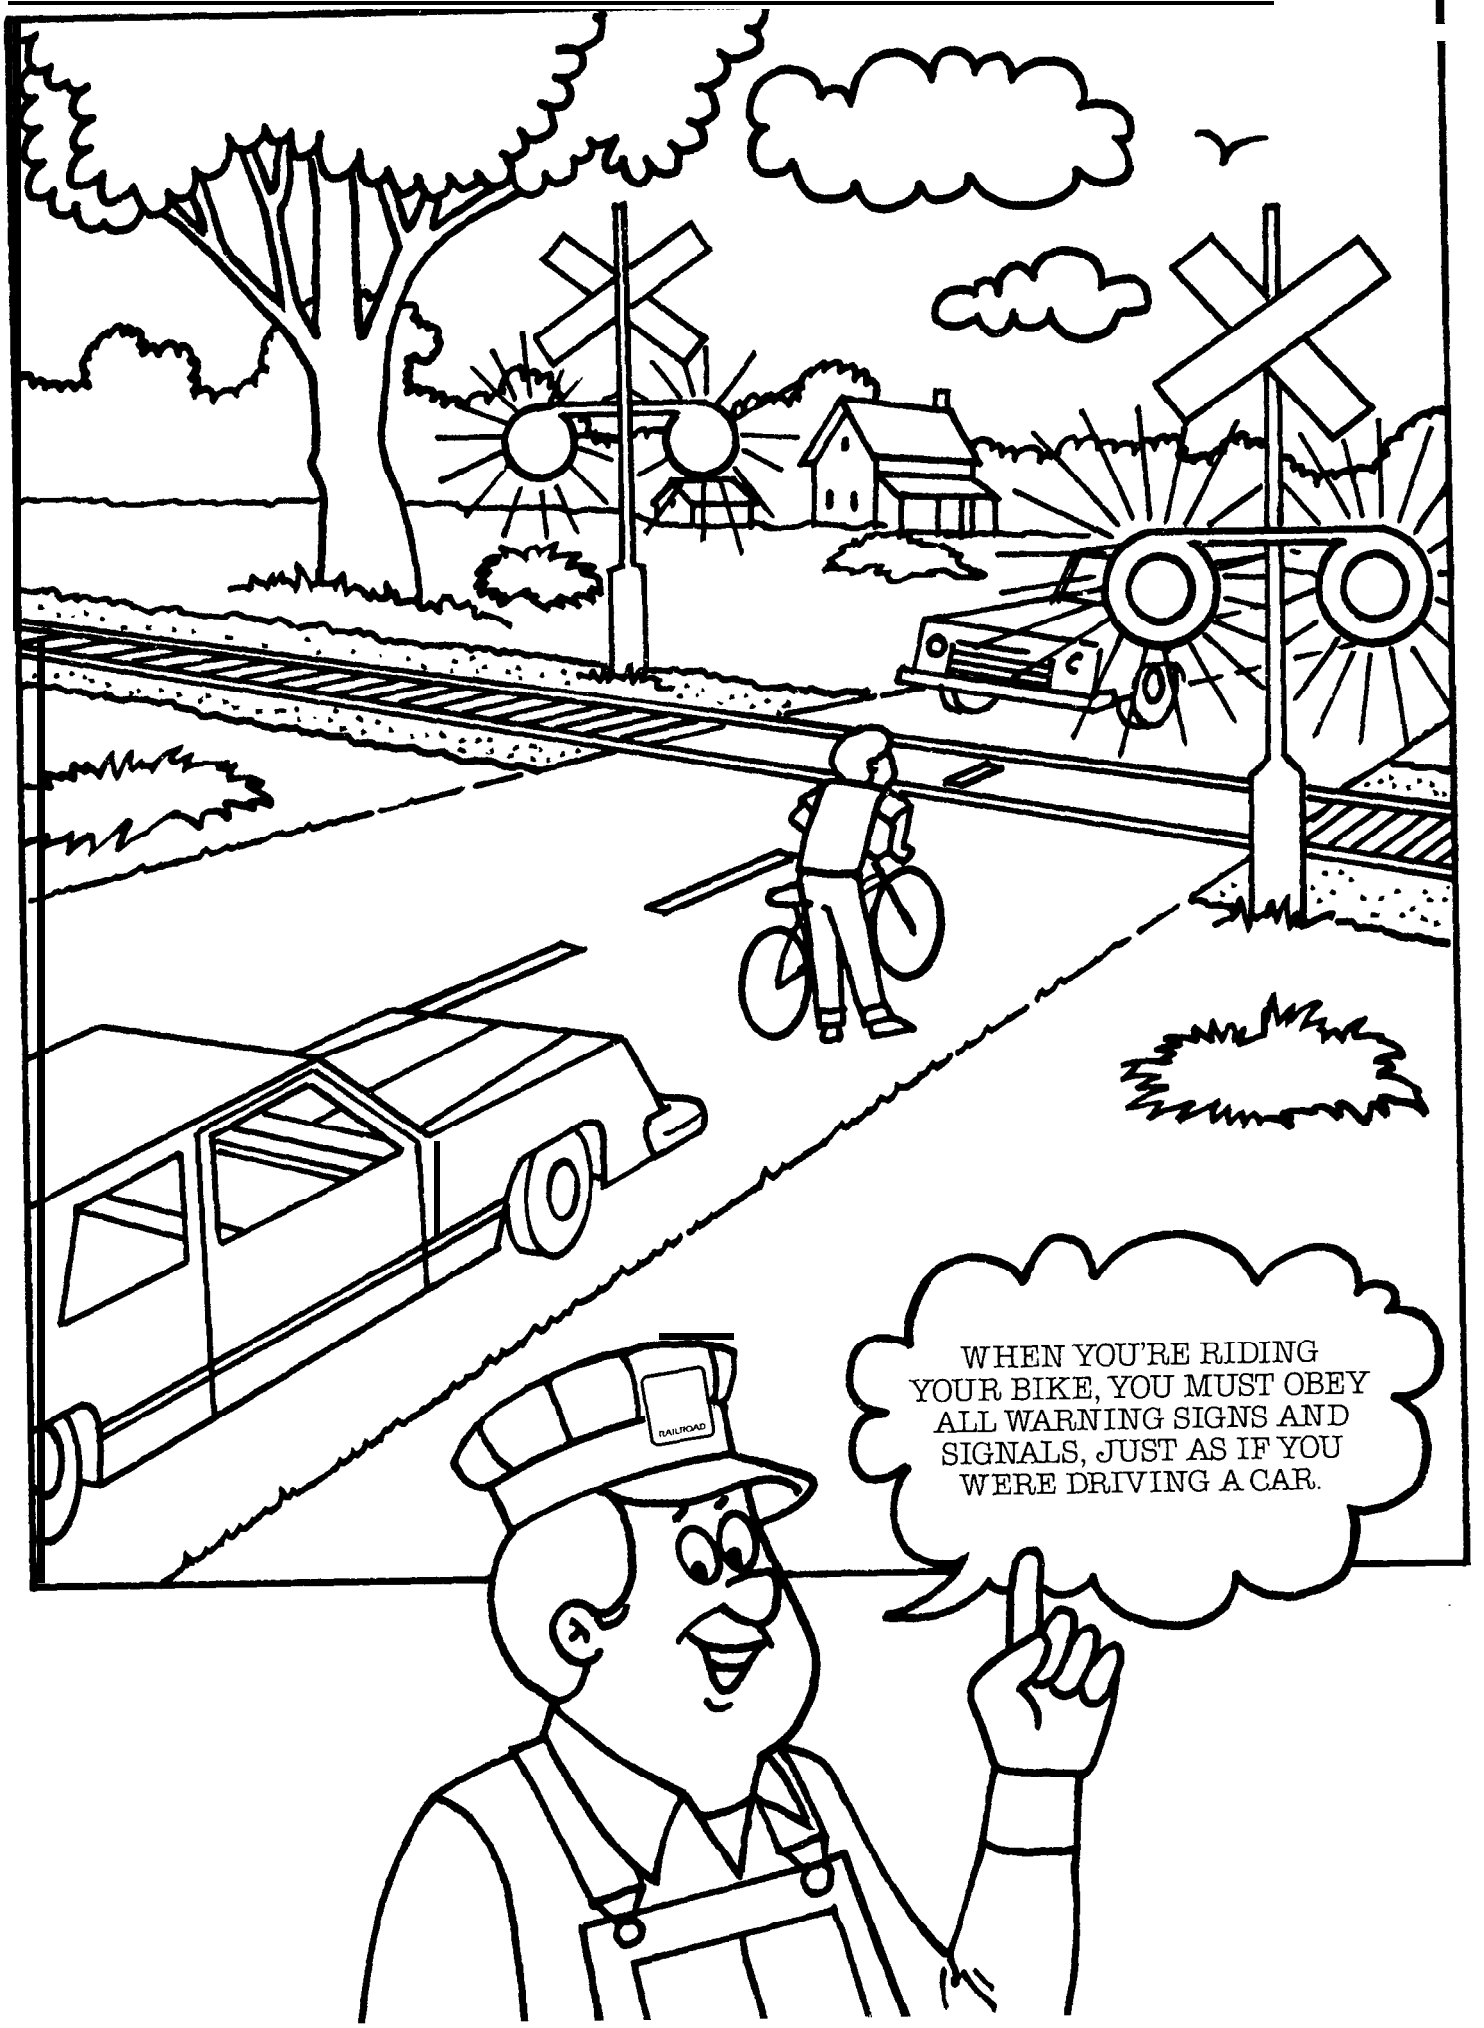




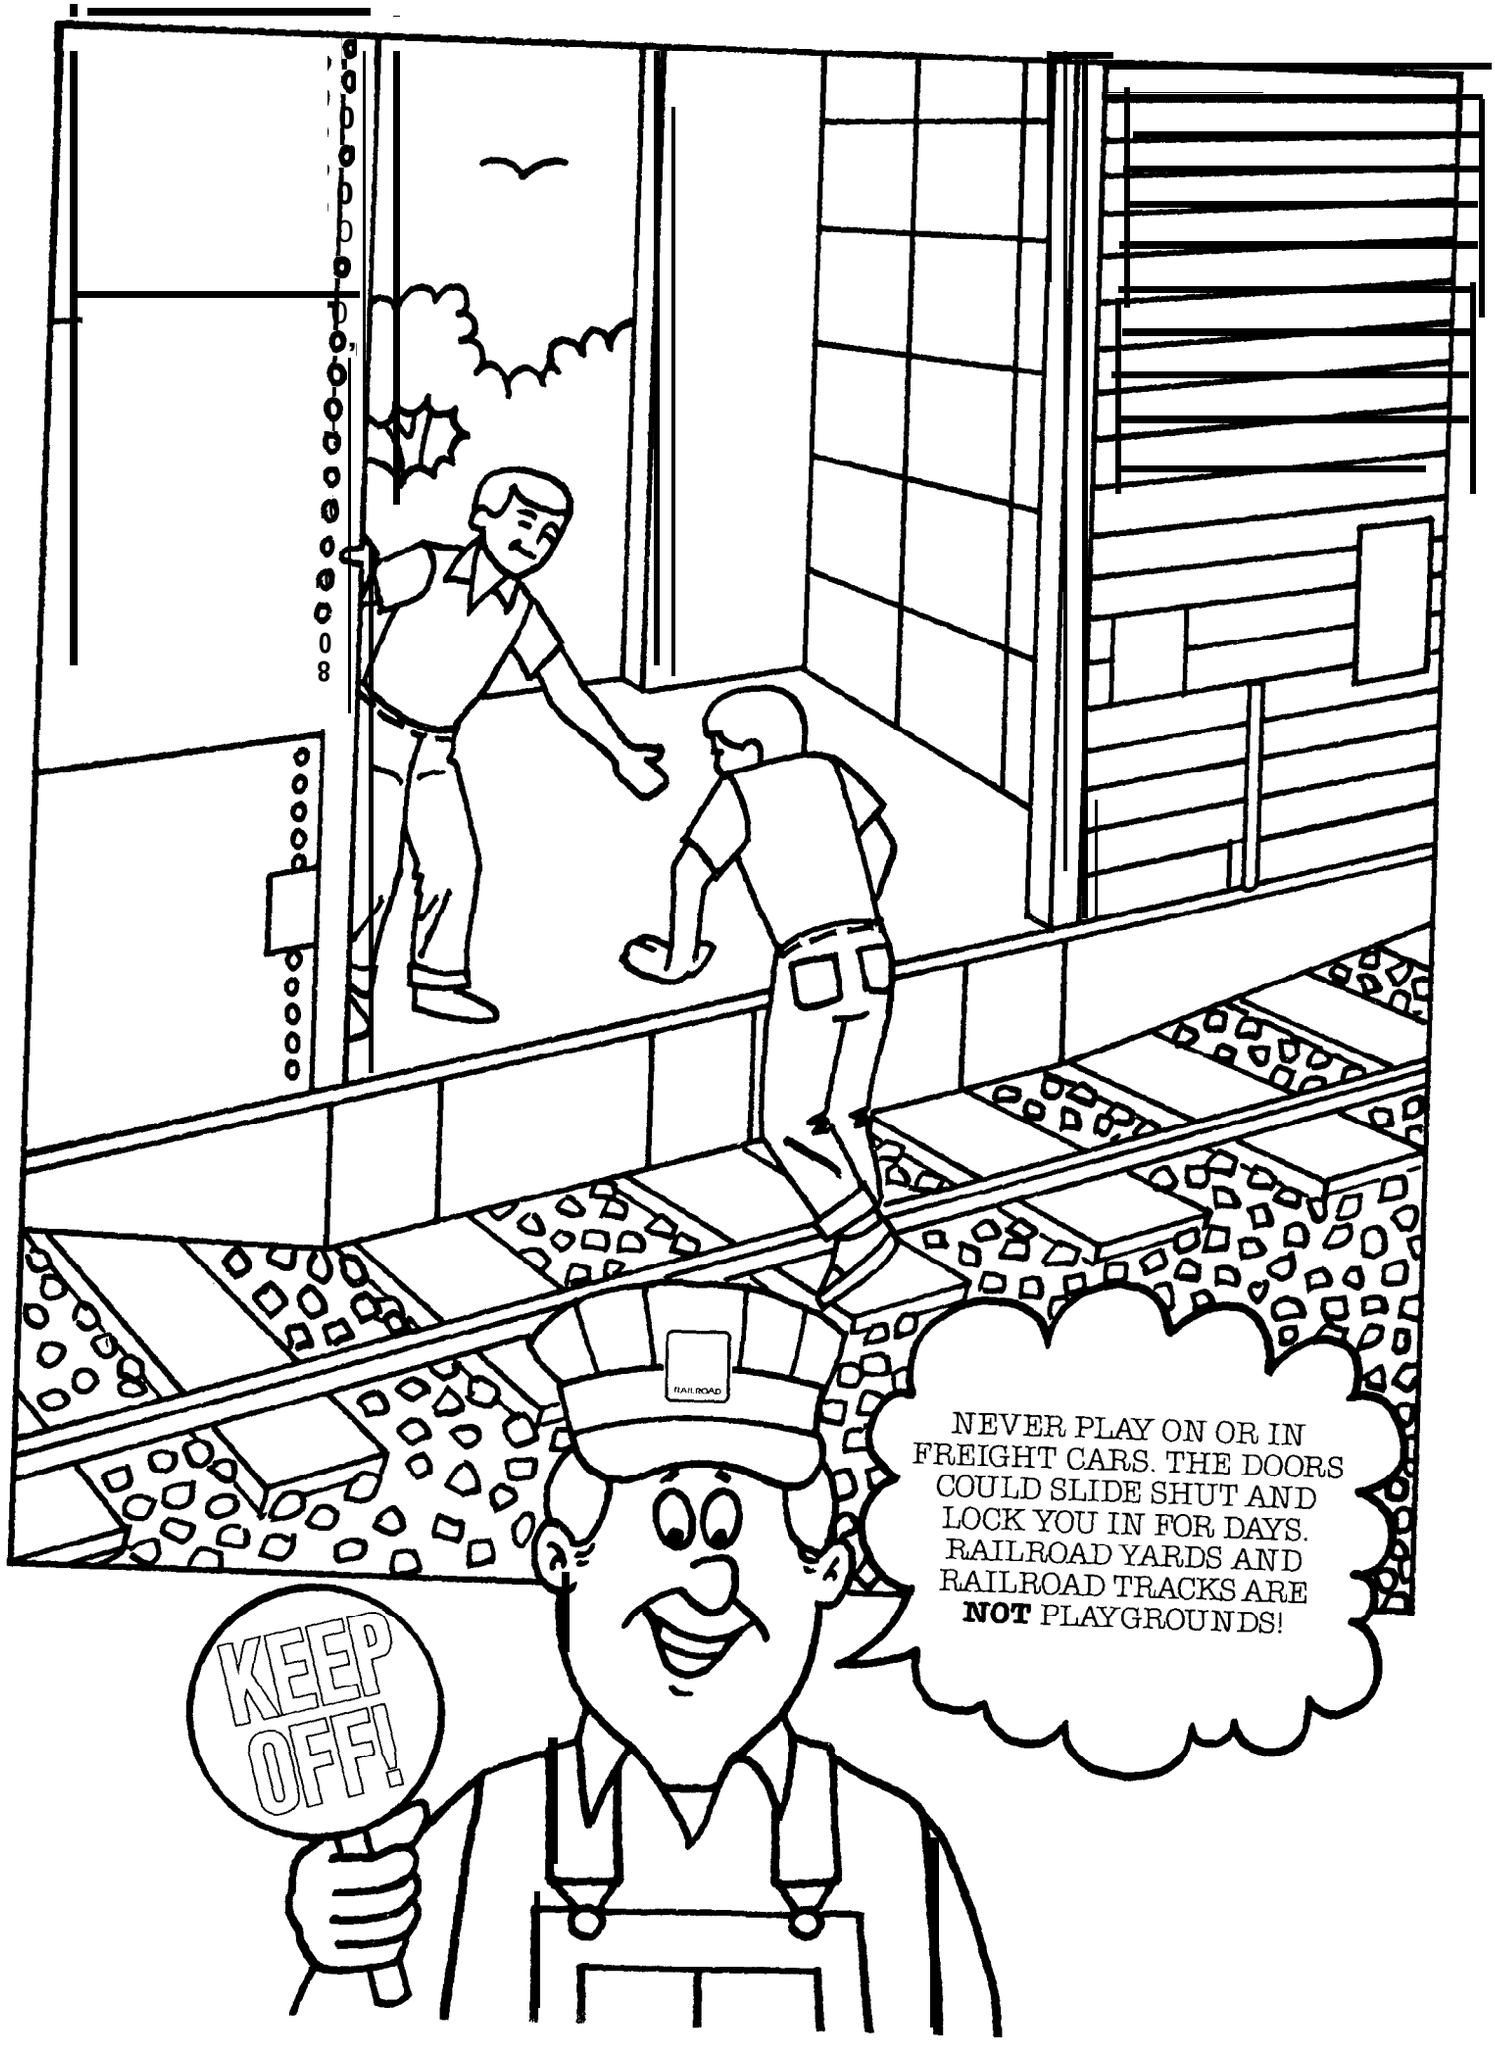
THIS IS "SAM, THE SAFETY MAN." HE'LL HELP YOU LEARN ALL ABOUT RAILROAD SAFETY.



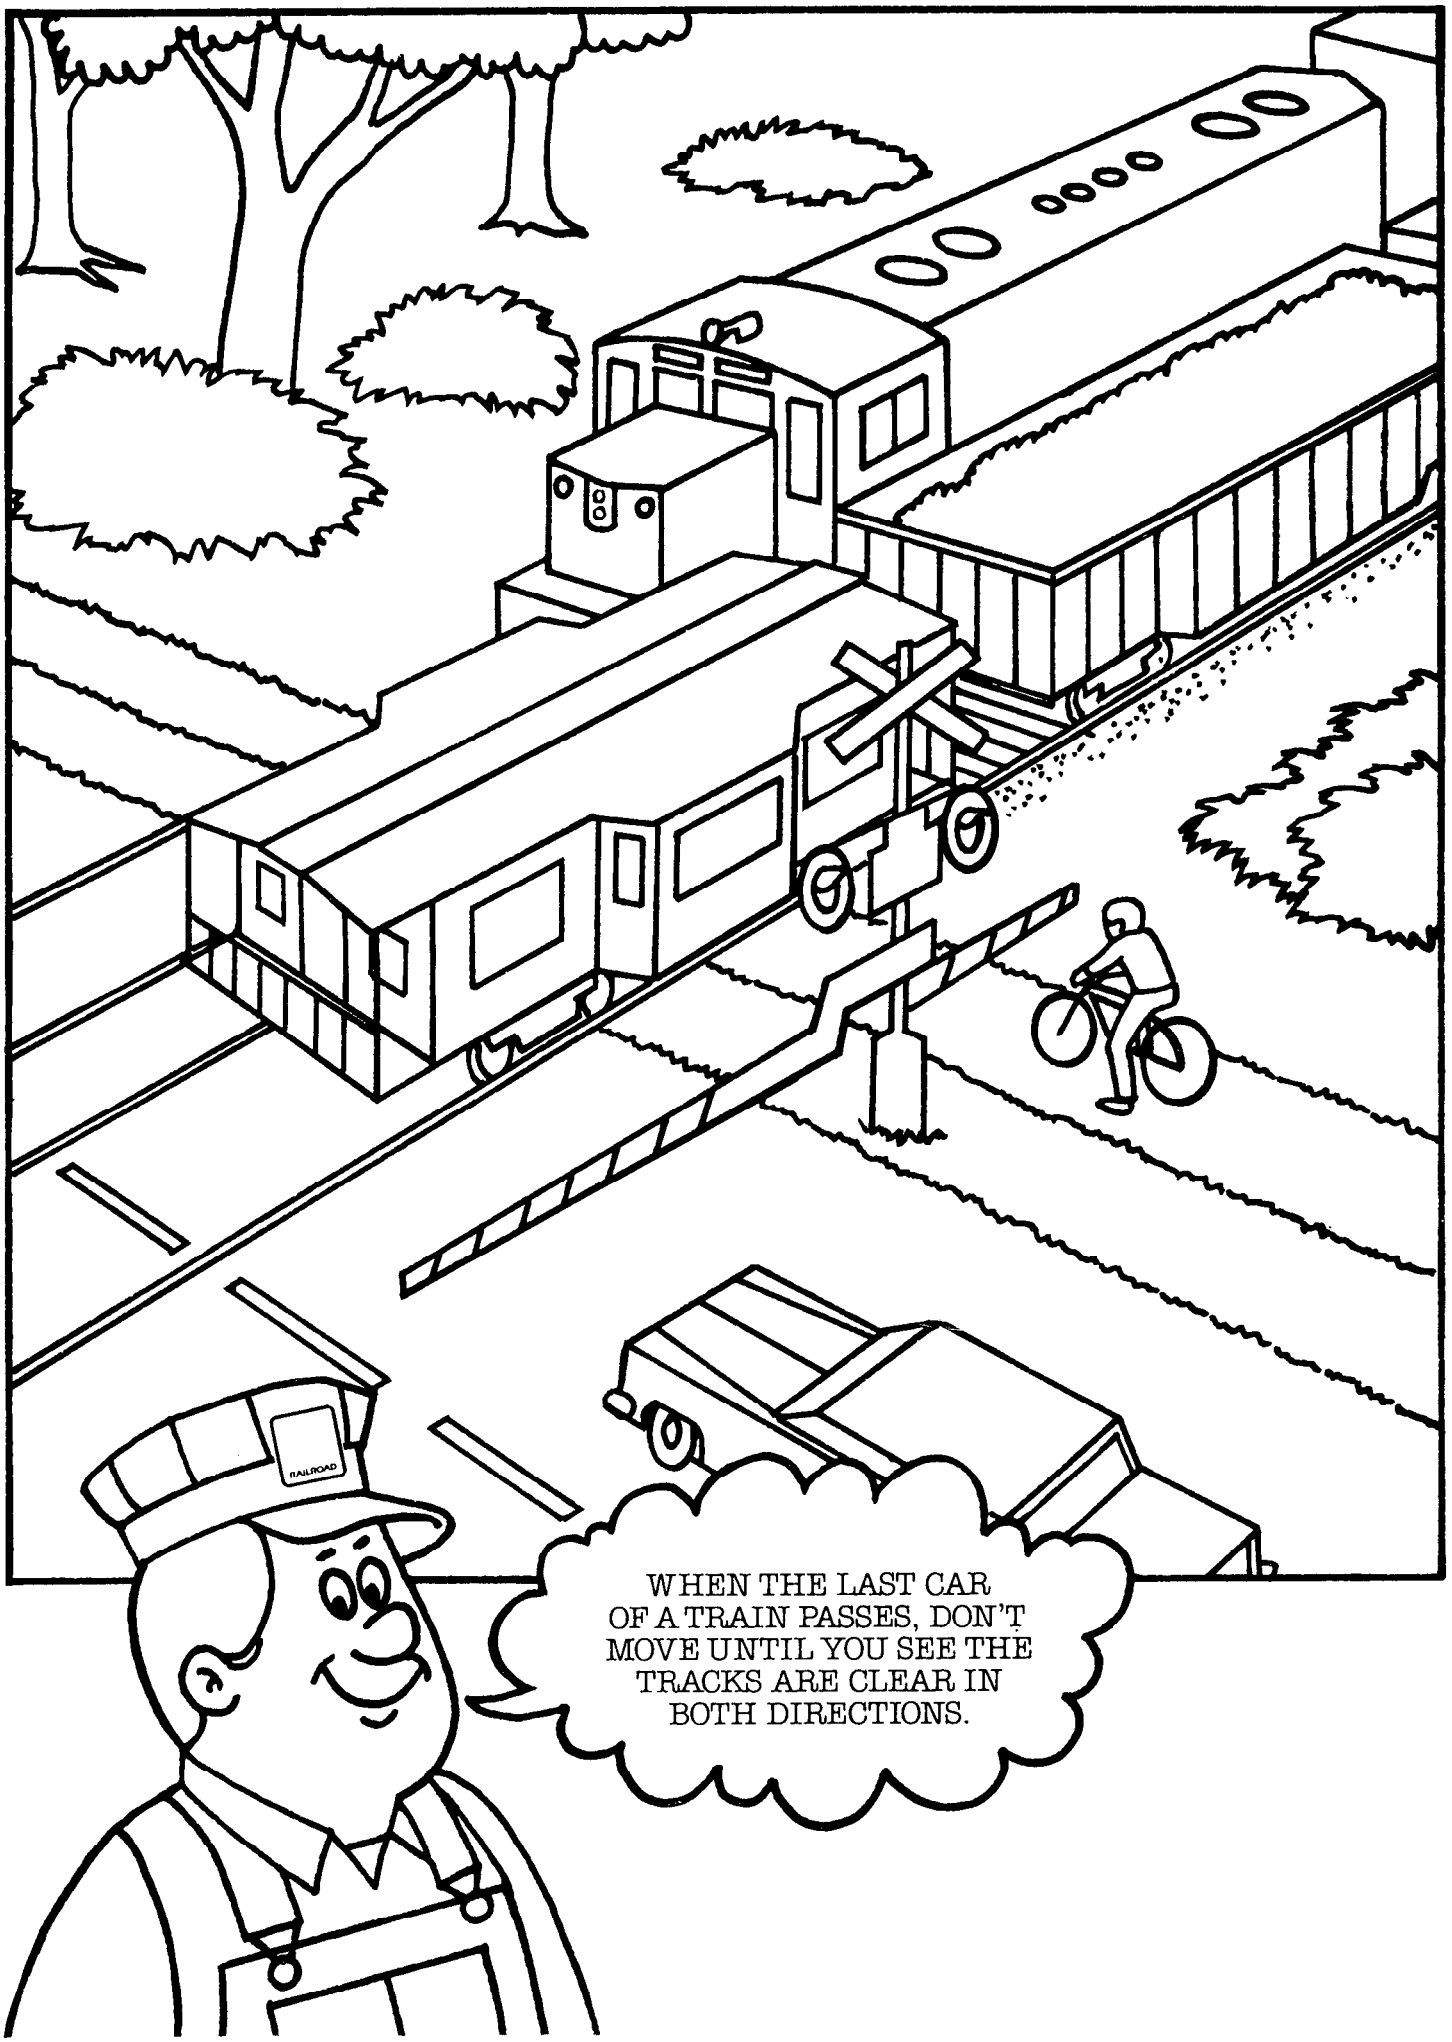
RAILROAD
ALWAYS LOOK BOTH WAYS AND LISTEN CAREFULLY BEFORE YOU CROSS A RAILROAD TRACK. BE EXTRA CAREFUL WHEN THERE ARE NO GATES OR FLASHING LIGHTS.



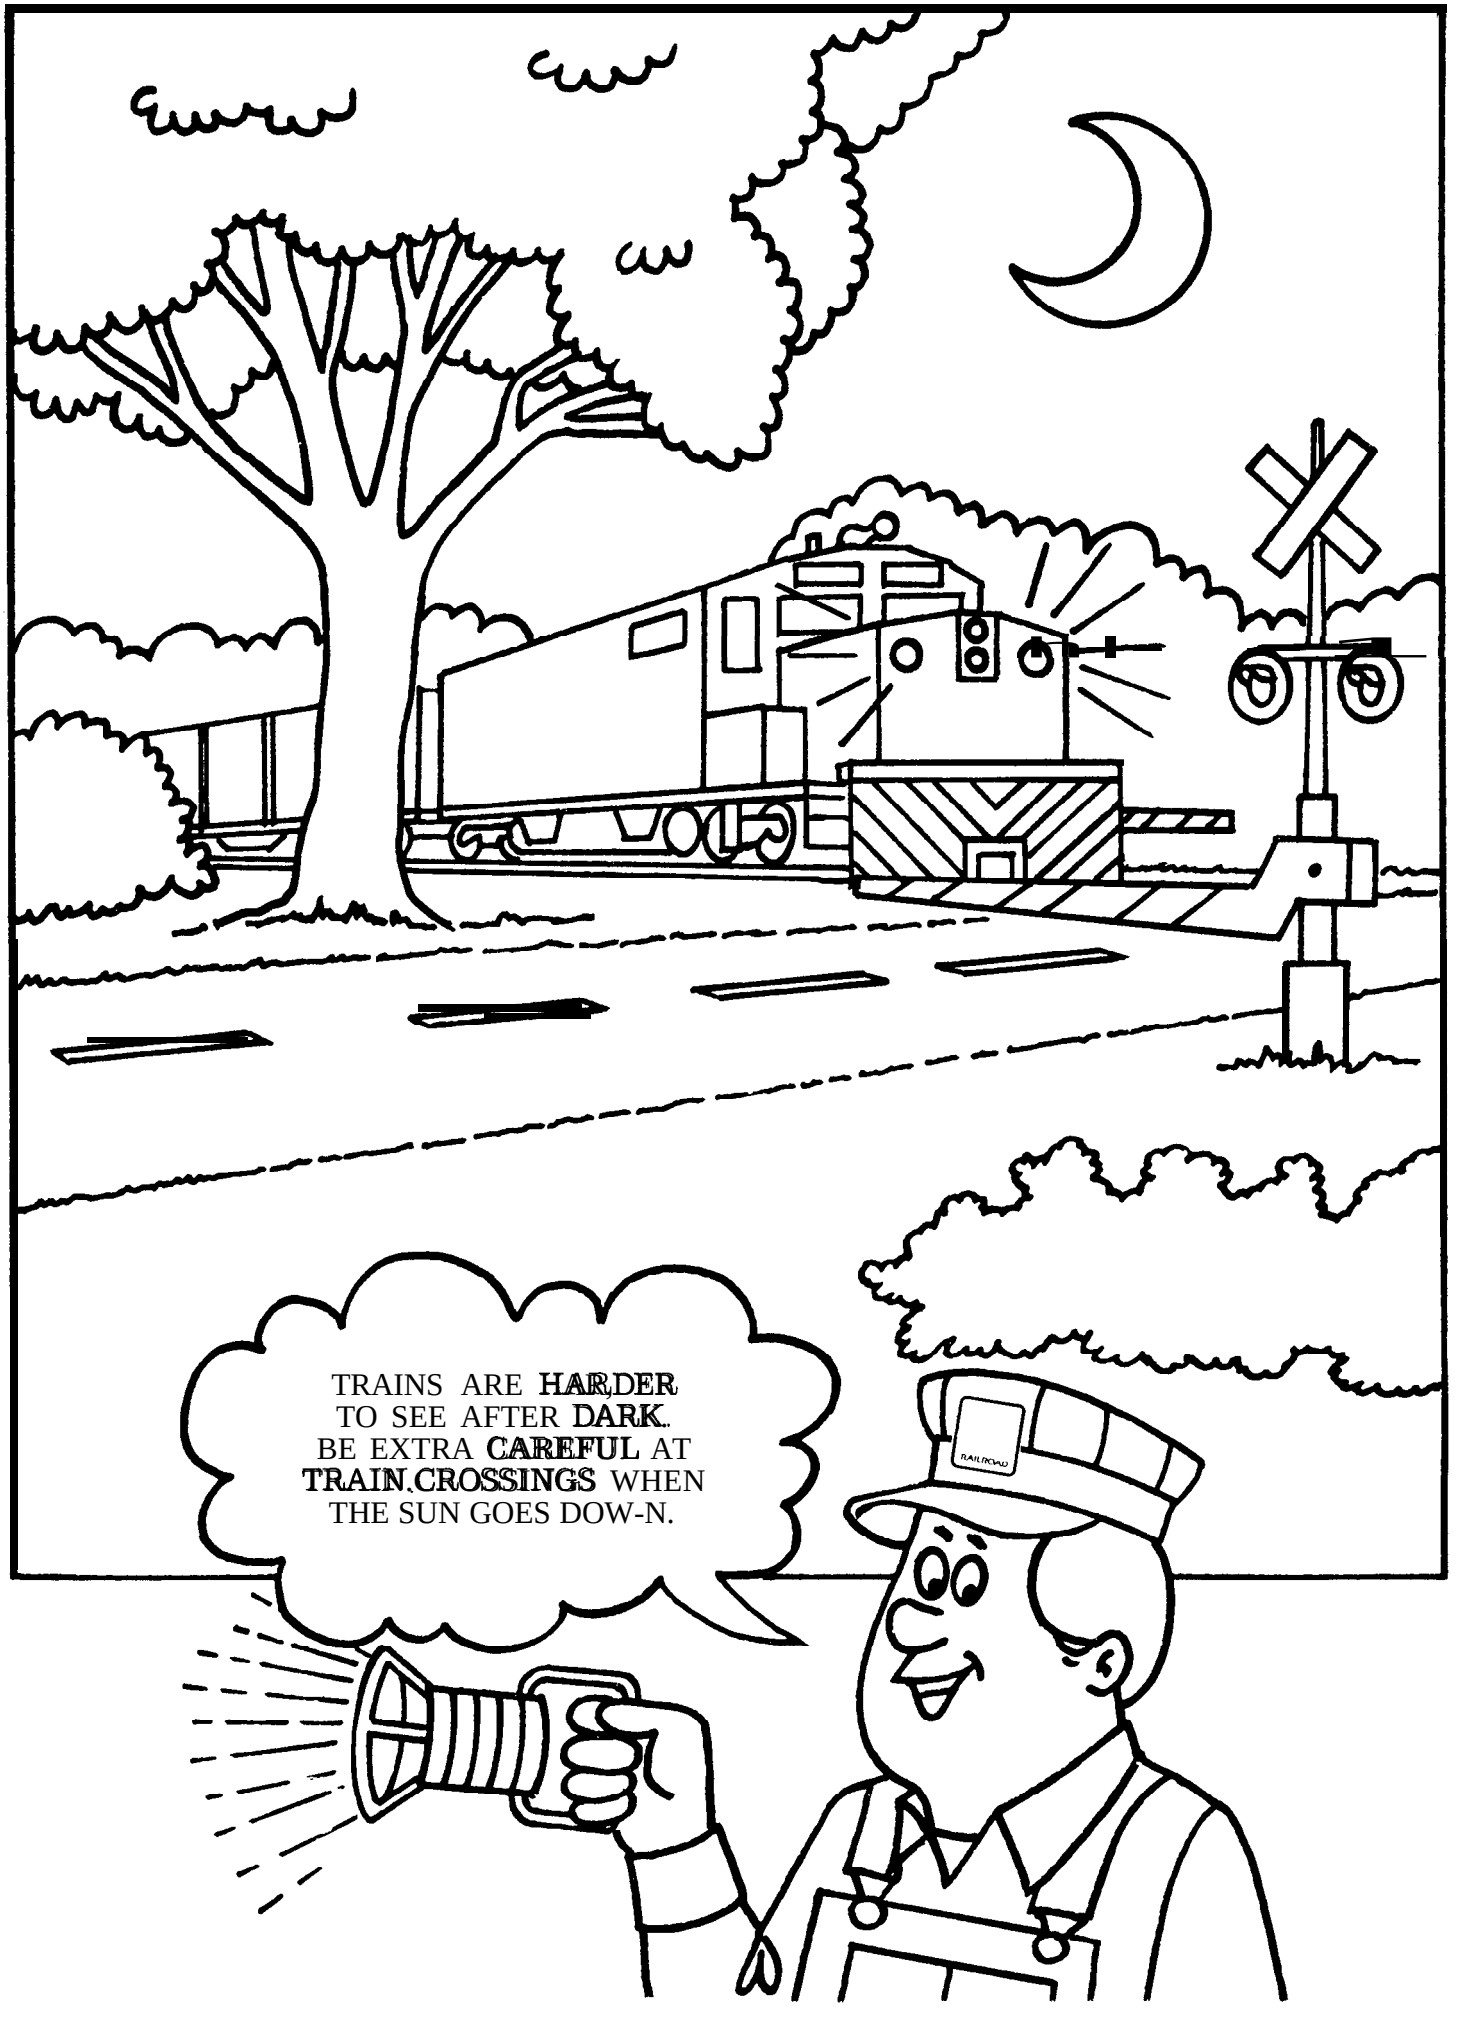
RAILROAD
WHEN YOU'RE RIDING YOUR BIKE, YOU MUST OBEY ALL WARNING SIGNS AND SIGNALS, JUST AS IF YOU WERE DRIVING A CAR.



KEEP OFF!
NEVER PLAY ON OR IN FREIGHT CARS. THE DOORS COULD SLIDE SHUT AND LOCK YOU IN FOR DAYS. RAILROAD YARDS AND RAILROAD TRACKS ARE **NOT** PLAYGROUNDS!



RAILROAD
WHEN THE LAST CAR OF A TRAIN PASSES, DON'T MOVE UNTIL YOU SEE THE TRACKS ARE CLEAR IN BOTH DIRECTIONS.



TRAINS ARE HARDER
TO SEE AFTER DARK.
BE EXTRA CAREFUL AT
TRAIN CROSSINGS WHEN
THE SUN GOES DOW-N.
